

P012- Sandra Slater collection
1967-1985
5.5 cm of textual records

Biographical Sketch: In 1984, Sandra Slater, a resident of Webbwood, was authorized by the Service Board to gather information for the purpose of writing the history of Shakespeare Township. This was a Bicentennial project.

Scope and Content: The collection consists of correspondence, copies of articles on Shakespeare Township, booklets from telephone companies, a publication on the geology of Dunlop-Shakespeare Area, copies of school reports (originally 1914-1963), copies of 1933-1956 reports on Shakespeare Gold mine and uranium mines, and personnel accounts of Shakespeare Township activities. Railway, mining, timber activities and a teacher recollection are among the handwritten accounts.

Note: Immediate source of acquisition: Sandra Slater donated the collection in 1995
