

**P082 CBC Radio, [Sudbury] fonds  
1978-2003**

**22.86 m of textual records and 43 audio recordings**

**Administrative history:** CBC Radio (CBCS) in Sudbury began operations in the spring of 1978. The station's broadcast area is from Parry Sound to James Bay and from Mattawa to Wawa. It carries a combination of regional and national programming. Local weekday shows include: Morning North, Points North, and Radio Noon.

**Scope and content:** The CBC Radio station [Sudbury] fonds consists of scripts, logs, newscast, and research notes of some of the locally produced programs. The recordings are from Morning North. The fonds contains recorded information from the newscasts, and from Morning North.

**Note : Immediate source of acquisition:** Deposited in 1993

: **Accruals:** A second accrual was received in October 2004. More accruals are expected.
