

REQUEST FOR REPRODUCTION

Archival materials

- In accordance with the Copyright Act any copy is to be used solely for the purpose of research or private study.
- Any use of a copy for a purpose other than research or private study may require the authorization of the copyright owner of the work in question.
- When necessary, it is the researcher's responsibility to obtain written permission for reproduction by the owner of the Copyright.
- The reproduction is only to be used for the current request. The document reproduced cannot be transferred, reproduced or used for any other purpose than the one declared in this request for reproduction.
- If the researcher intends to use the reproduction for any use other than that listed on this request form, a new request for reproduction must be sent to the Laurentian University Archives.
- Transfers and distribution of the reproduction is forbidden unless the reproduction requested is for publication.
- Laurentian University does not send reproductions electronically.

The requester must provide the following information:

Principal Researcher:

Name: _____

Address: _____

Co-researcher:

Name: _____

Address: _____

Tel. Number: _____

Purpose/use of the reproductions:

Tel. number: _____

Purpose/use of the reproductions:

The Laurentian University archives will keep for a minimum of three (3) years the information regarding copies made of a work, and make it available to: 1) the author of the work; 2) the owner of copyright in the work; 3) the representative of the author or owner of copyright.
